Lansing, MI – After securing the final dollars necessary to complete renovation of the organization's 1712 E. Michigan Avenue site, the Women's Center of Greater Lansing and all its contributing partners including Allen Neighborhood Center, Capital Region Community Foundation, Centry Corporation, The Gillespie Company, Great Lakes Capital Fund, Liquid Web, Russell Meska, Michigan Interfaith Trust Fund, NuUnion Credit Union, and the PB&J Foundation, will gather together at a press conference at **10 a.m., Tuesday, January 22 at 1712 E. Michigan Avenue** to celebrate their collaborative efforts and symbolize their contributions by hanging the first piece of drywall in the Center's new computer lab.

The Women's Center has outgrown the 1,000 square foot space from which they currently operate. With the completion of the 1712 building, 2,000 square feet will be added and make it possible to provide computer classes, nutritional cooking classes, additional space for women to work on their job search and a place to house a professional clothes closet.

The Women's Center of Greater Lansing is an independent, community based, 501(c)(3) private, non-profit. The mission of the Women's Center of Greater Lansing is to help women realize their potential, support each other, achieve economic self-sufficiency, and develop emotional and physical wellbeing, regardless of income level.
